           C
Well you done done me and you bet I felt it
           G
I tried to be chill but you're so hot that I melted
           Am
I fell right through the cracks
           F
And now I'm tryin to get back

```

```

           C
Before the cool done run out, I'll be givin it my best test
           G
and Nothin's gonna stop me but divine intervention
           Am
I reckon it's again my turn
           F
To Win some or learn some

```

```

           C           G
But I wont hesitate
           Am
No more,
           F           C           G           Am           F
It can not wait, I'm yours

```

```

           C           G
Well, open up your mind and see like me
           Am
Open up your plans and damn you're free
           F
Look into your heart and you'll find love, love, love, love

```

```

           C           G
Listen to the music of the moment, people dance and sing
           Am
We're just one big family
           F
And it's our god-forsaken right to be loved
           D7
Loved, loved, loved, loved

```

C **G**
So I won't hesitate
Am
No more, no more
F
It cannot wait, I'm yours

C **G**
There's no need to complicate
Am
Our time is short
F
This is our fate, I'm yours

C **G**
Doo do do doo doo do, doo do doo do doo do
Am **G** **F**
Do you want to come on, scooch on over closer, dear
D7
And I will nibble your ear

C
I've been spending way too long checking my tongue the mirror
G
And bending over backwards just to try to see it clearer
Am
But my breath fogged up the glass
F
And so I drew a new face and I laughed
C
I guess what I'll be saying is there ain't no better reason
G
To rid yourself of vanities and just go with the seasons
Am
It's what we aim to do
F
Our name is our virtue

C **G**
But I won't hesitate
Am
No more, No more
F **C**
It can not wait, I'm yours
